We apply payments to balances with lower APRs including introductory APRs before balances with higher APRs.

Currently 4.00%. APRs are subject to a maximum APR of 17.99%.

You will also earn two (2) additional Points for a total of three (3) Points up to the Bonus Limit for each dollar of Net Purchases charged to your Account during each billing cycle for gasoline and gas station purchases. Gas stations are those retail establishments that have their Visa merchant location code classified as a gas station. You may only earn up to a maximum of 1,000 additional Points each billing cycle (the "Bonus Limit") when you use your Card at gas stations. After the Bonus Limit has been reached in a billing cycle, you will continue to earn one (1) Chevron Fuel Rewards Point for each dollar of Net Purchases at gas stations with no Bonus Limit. "Net Purchases" for a statement period are determined by totaling all new Purchases (as defined in your Cardmember Agreement) charged to the Account during the billing cycle, excluding the amounts specified in the next paragraph, then subtracting credits posted to the Account during the billing cycle for returned Purchases and/or adjustments. We may round Net Purchases up or down to a whole dollar amount for purposes of awarding Points. Rebates may be redeemed subject to a \$25 minimum and in additional increments of \$25. The Account must be open and current to be eligible to receive the Cash Rebate. Accounts not open and/or not current will not receive a rebate. Rebates that are not payable because the Account is closed or past due will be forfeited. Complete terms and conditions for the Rewards Program will be provided to Cash Rewards Platinum cardmembers.
