¹These are estimates only and can be impacted by many factors.

²These are best practice guidelines only. Members are free to use these services in any way allowed by the functionality at their own risk.

³Chevron Federal Credit Union and its partners reserve the right to place limits on new members and high-risk member segments. We may change these limitations based on periodic risk assessments and we reserve the right to make such changes without notice to you, except as may be required by applicable law or regulation. Limitations may differ by user and are based on various factors, including, but not limited to information from consumer credit agencies, account type, membership tenure, and account balance.

⁴Chevron Federal Credit Union reserves the right to add fees. Other fees may apply if funds cannot be successfully delivered. Examples include non-sufficient funds fees, rejected transfer fees, Courtesy Pay fees, etc. See Chevron Federal Credit Union Fee Schedule for more information.

⁵Electronic transfers of funds between Credit Union memberships that share no common owners, or to a receiving membership that was first opened on the same day that the electronic transfer is initiated, may be subject to a funds availability hold of up to two (2) business days for security purposes, at the sole discretion of the Credit Union.

⁶For external transfers, Chevron Federal Credit Union restricts the total dollars that can be SCHEDULED through the application over the CURRENT day, week, or month. For all other types of money movements, the limits are applied to the total dollars that can be DELIVERED on any FUTURE day, week, or month.

⁷Only checking and savings accounts may be used for external transfers.
